

## Electric Servo Turret Punching Machine 5500mm 220V 380V 415V 440V

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: genuo
- Certification: M.2020.206.C6366
- Model Number: ES30-1250x5000/1500x5000
- Minimum Order Quantity: 1
- Price: negotiable
- Packaging Details: carton box
- Delivery Time: 90 days
- Payment Terms: L/C, T/T, D/P, D/A
- Supply Ability: 1 Set/Sets Every 15~35 days

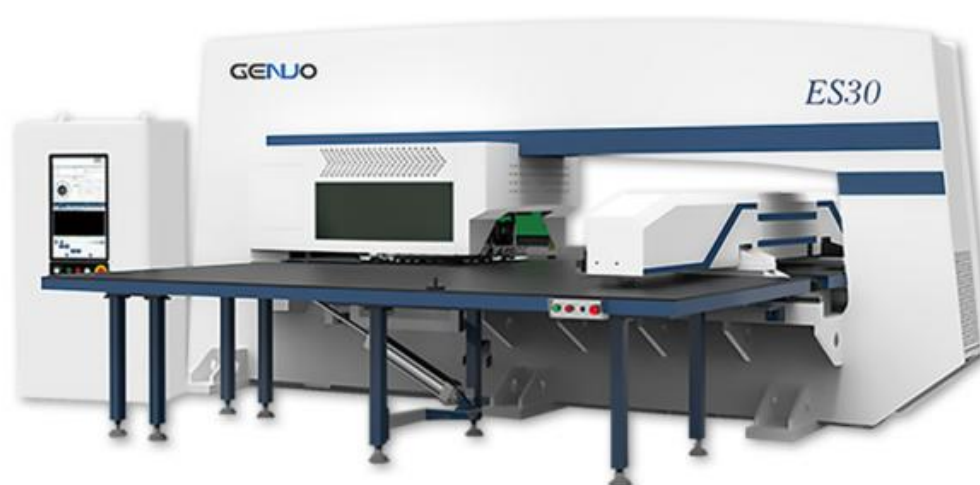

### Product Specification

- Product Name: Punching Pressing Machine
- Application: Stainless Steel Metal Sheet Plate Punching
- Controller: Siemens / GENUO
- CNC Control System: Germany Rexroth / Siemens / GENUO
- Voltage: 220V/380V/415V/440V/customized
- Color: Customer Choose
- Main Motor: Germany Rexroth / Japan Panasonic
- Electrical Components: France Schneider
- Type Of Drive: Full Servo Direct Drive Main Transmission
- Structure: 24 Full-automatic Indexing Stations
- Worktable: Brush And Ball Mixed Worktable
- Power: Electric Servo
- After-sales Service Provided: Online Support Video Technical Support
- Max Impulse Pressure: 300

# TURRET PUNCH PRESS

Electric Servo GN-ES30 Series

GENUO GN-ES30 series turret punch press advanced and reliable of servo system, the different thickness of the material automatically choose the stroke, can be very easy special craft processing, such as shutters, knock down hole, the whole trip of constant pressure and make the stamping quality reach a high level. The control system is a special CNC system designed for punch press by Rexroth.

Standard Equipment	Optional Equipment
★ O-type welded rigid integral frame	☆ GENUO or Siemens CNC Control
★ Rexroth CNC Control and servo system	☆ 42 Station (Dual Circle+T die base)
★ 24 Full-automatic indexing stations	☆ Clamp Stripping Protection
★ Brush and ball mixed worktable	☆ Scrap Collection Device
★ Auto feeding system with high-precision	☆ Automatic Loading and Unloading
★ Precision wear-resistant turret and tools	☆ Special thick current tooling
★ Floatable Pneumatic Clamps	☆ Large seamless worktable
★ Bearing, timing belt, drag chain from DE	☆ Peripheral light curtain protective fence
★ Schneider electrical parts from FR	☆ Vacuum waste suction device
★ Automatic central lubrication system	☆ Optional customized colors

Standard Configuration
